Tasks:

From pdf "MODULE 2: USER INTERFACE" answer these questions:

- 1. What can you use the **Search** box for?
 - a. To find any page, report, or view present on the Departments page.
 - b. To find any page, report, or form present on the Departments page.
 - c. To find any page or report present on the Departments page.
 - d. To find any page, report, or view present on the Home page.

Answer:_A__

- 2. Which of the following statements about the navigation pane is true?
 - a. You can remove the Home menu.
 - b. You cannot remove the Departments menu.
 - c. At a minimum, the navigation pane contains the Home and the Departments menu.

Answer: C

3. Name some of the advantages of the ribbon?

Answer: Ribbon és molt customizable i això fa que es faci una tarea molt més senzilla i millor. Altres avantatges es que pot veure fàcilment les seves funcions i característiques que té el programa, això condiciona a que l'usuari tingui un recorregut d'aprenentatge molt més veloç i eficient.

4. Assign a Role Center:

Scenario

You are the accounting manager at CRONUS International Ltd., and uses the default Role Center (Sales Order Processor). However, this Role Center is not aligned with your daily activities. Therefore you are advised to use the accounting manager profile.

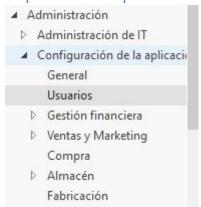

Assign the accounting manager profile to your user account.

Answer: Per poder canviar el compte a farem els passos següents.

Primer anem al menu "Departamentos"

Despres anem al apartat Administració i després seleccionem usuaris.

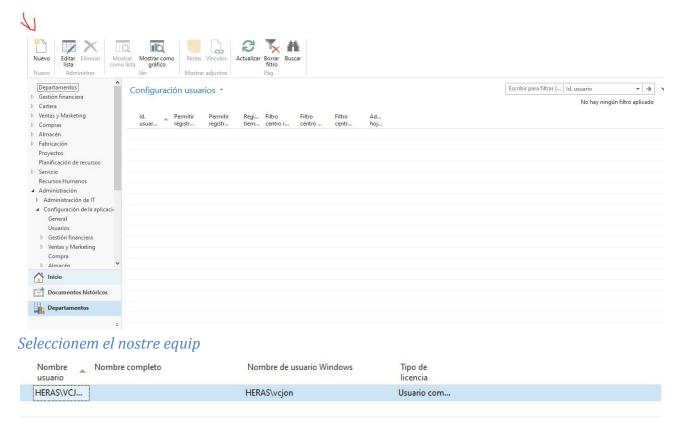

Després seleccionem la configuració d'usuaris.

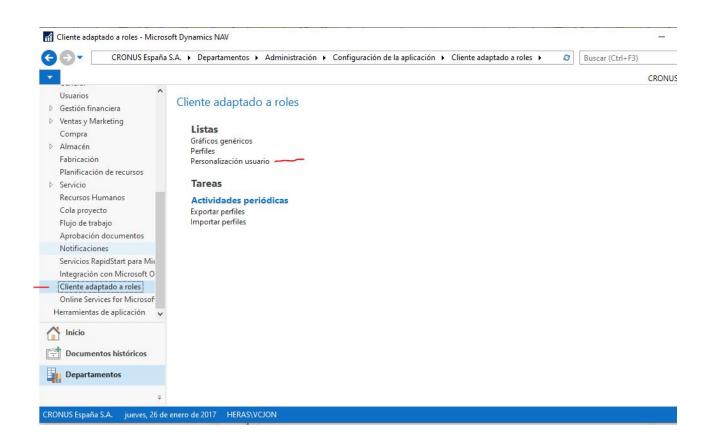

Usuarios

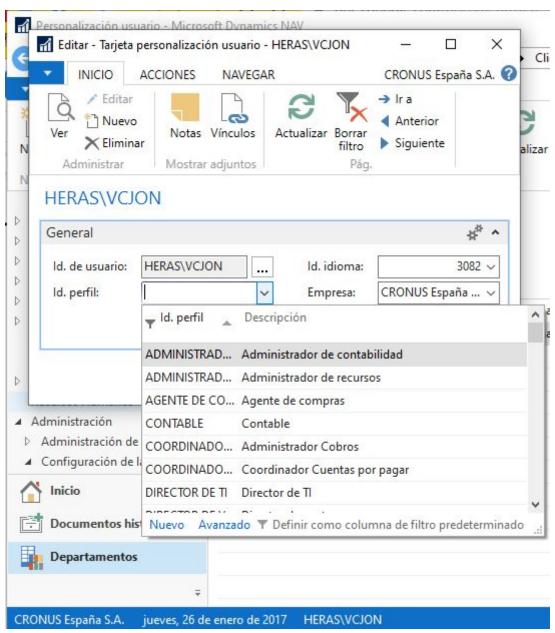

Una vegada estem dins cliquem a nou.

Ara que tenim l'usuari ens anem al rols de client a la barra lateral. y a personalització d'usuari

Seleccionem Adminsitrador de contabilidad

From pdf "MODULE 3: USER PERSONALIZATION" answer these scenarios:

1. Add a List Place to the Navigation Pane

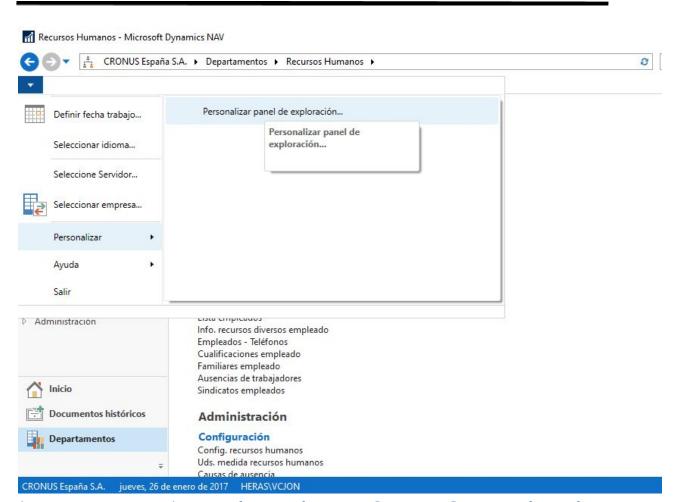

Scenario

As the order processor at CRONUS International Ltd., you generally perform tasks in the sales order processes. Your profile has provided you with the corresponding available activity buttons in the navigation pane.

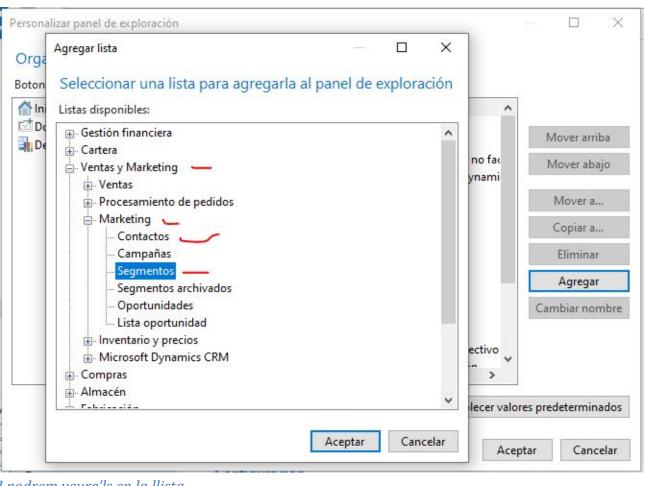

However, sometimes you have to perform some tasks outside your usual job description. You want to perform the following tasks from the navigation pane:

- Send out mailing lists, by using the Segments and Contacts of the Marketing application area.
- Process a Purchase Order, for the supply of office material or a specific order related to a sales order.
- Process and follow up on Approval Request Entries and Approval Entries.

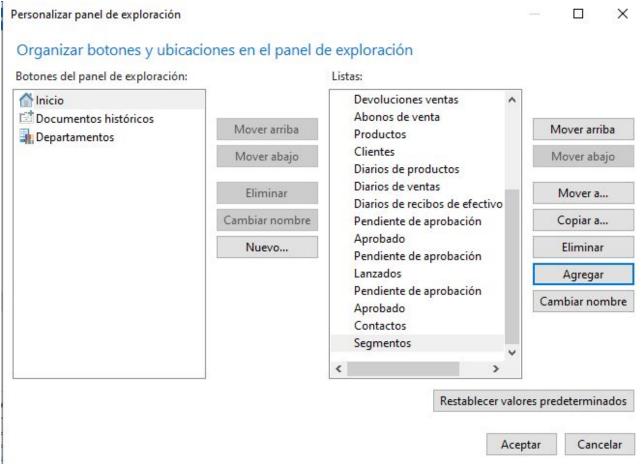

Answer:____
Primerament obrirem el desplegable de dalt i anem a Personalizar > Personalizar panel de exploración.

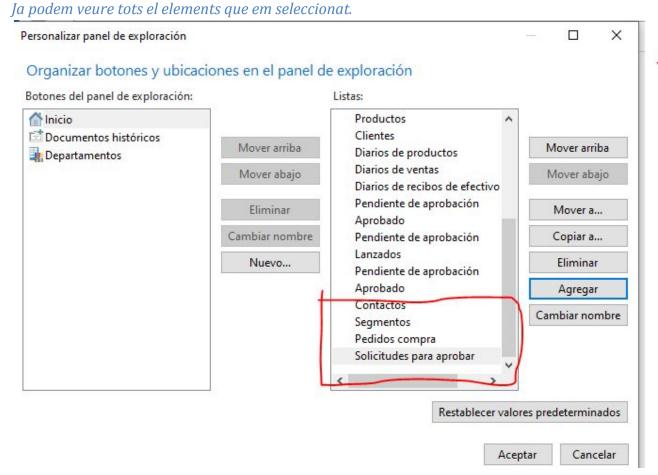

Aqui tenim que anar a Agregar i despres seleccionem Contactos i Segmentos dentro de Marketing que esta dins de Ventas y Marketing

I podrem veure'ls en la llista

Per poder afegir les comandes de compra, tenim que fer el mateix process pero agregan Pedidos de compra y Solicitudes para aprobar.

2. Add a Chart to the Role Center

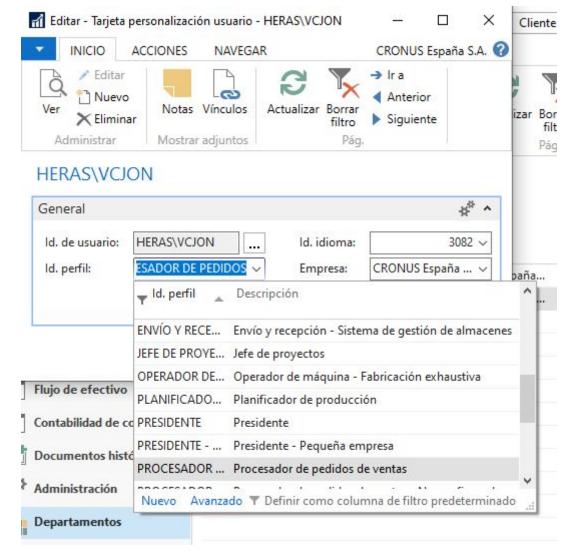

Scenario

As the sales order (SO) processor you want to adjust your Role Center by adding the following charts:

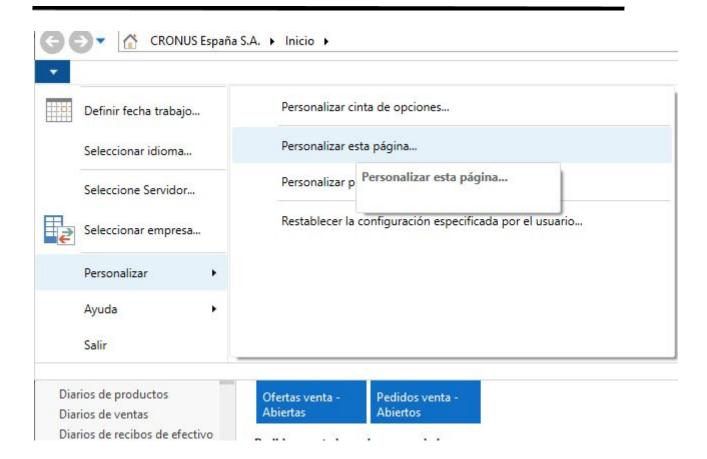

- Customer Sales and Profit (generic)
- SO per location (generic)

Answer:

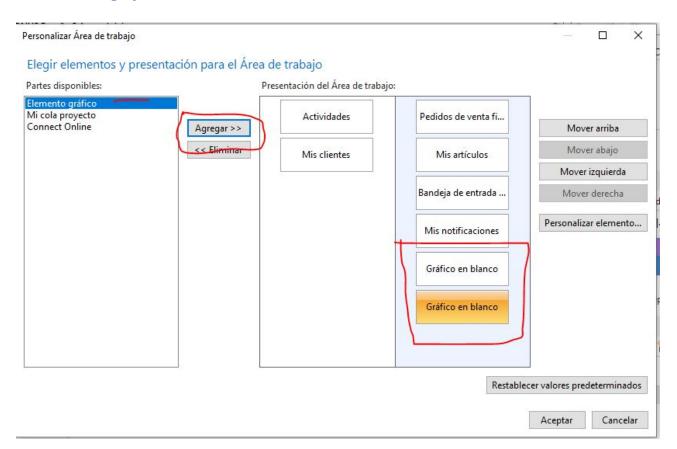

Primer tenim que canviar el rol del nostre usuari i per fer-ho ho tenim que fer com ho he fet a la primera pregunta.

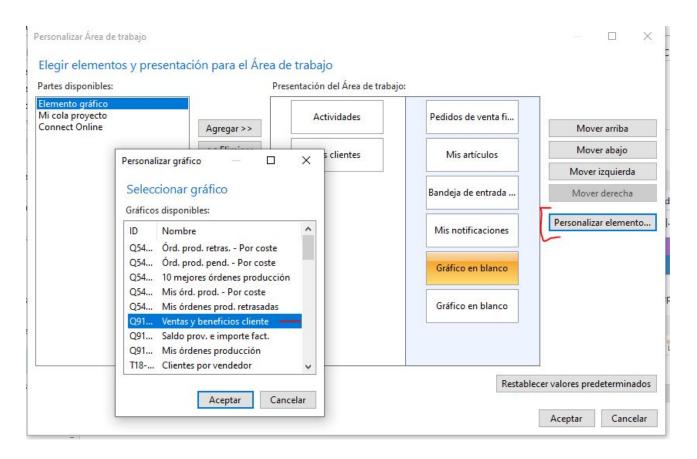

Ara anirem a personalitzar la pagina seleccionem Personalizar > Personalizar esta página

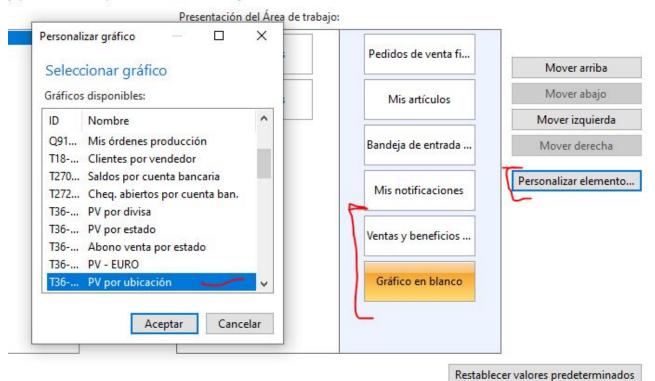

Seleccionem el Elemento grafico i li donem a Agregar. Ho hem de fer dos cops per aixi ens demanara dos grafics.

Ara tenim que anar al elemento que posa Personalizar elemento. i seleccionem el gràfic que demana, aquest cop sera Ventas y beneficios cliente.

I el segon gràfic ho farem PV por ubicación y presentación para el Àrea de trabajo

Ara podem visualitzar el gràfic que hem seleccionat amb anterioritat, pero el de Ventas y benificios cliente deu tenir algun error porque no es pot visualizar.
